

The graphic features a dark navy blue background. A large, thick orange arc curves from the top-left towards the bottom-left. A thinner, dark brown arc curves from the top-right towards the bottom-right. In the center, the word "ADAPLAY" is written in a large, bold, orange sans-serif font. Below it, the word "PRESENTATION" is written in a smaller, bold, white sans-serif font. Four stylized plus signs are positioned around the central text: one in each corner. Each plus sign is composed of two perpendicular lines with a horizontal-to-vertical color gradient, transitioning from orange on the left to blue on the right.

ADAPLAY

PRESENTATION

Welcome To **ADAPLAY**

The project included aesthetic enhancements, such as color choices for accessibility to people with color blindness, a new logo, and a new name, along with the addition of functionalities like a database.

Testimonial From Our Company Member's

Guilherme Felix

What's your project?

Our project consists of developing a website adapted for people with and without any type of disability. We have products for both specified audiences.

Alex Expedito

What's the purpose of project?

Our purpose is provide adapted toys for people with and without disabilities.

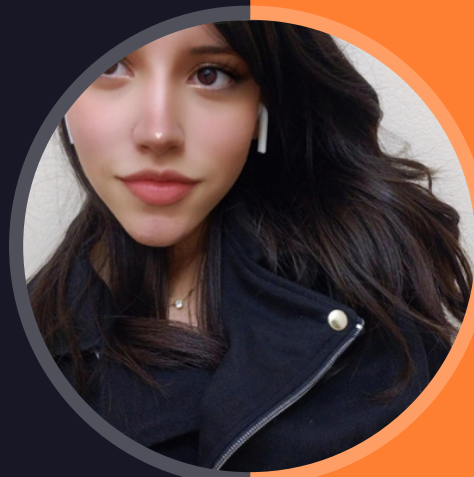

Testimonial From Our Company Member's

Giovanna Aparecida

About Us

A group of five students and friends developed a website in support of IBM, creating an e-commerce platform for a toy store with a special focus on adapted toys.
