

The graphic features a dark navy blue background. A large, thick orange ring is centered on the page. Inside this ring, the word "ADAPLAY" is written in a bold, orange, sans-serif font. Below it, the word "PRESENTATION" is written in a smaller, white, sans-serif font. In the four corners of the image, outside the orange ring, there are small plus signs. Each plus sign is composed of two perpendicular lines with a color gradient from light blue to light orange.

ADAPLAY

PRESENTATION

Welcome To **ADAPLAY**

Adaplay is a toy E-commerce site that has received major updates since its launch

Testimonial From Our Company Member's

Guilherme Felix

What's your project?

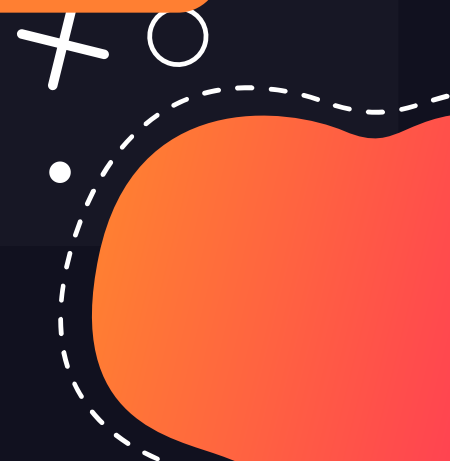

Our project consists of developing a website adapted for people with and without any type of special needs. We have products for both specified audiences.

Alex Expedito

What's the purpose of project?

Our purpose is to provide adapted toys for people with special needs, due to the lack of supply of these items on the market.

Giovanna Aparecida

About Us

A group of five students and friends developed a website in support of IBM, creating an e-commerce platform for a toy store with a special focus on adapted toys.

Danilo Soares – Endrigo Gustavo

Process

The project included aesthetic enhancements, such as color choices for accessibility to people with color blindness, a new logo, and a new name, along with the addition of functionalities like a database.
